## NUUSBRIEF / NEWSLETTER

Oktober / October 2021

Nog 'n jaar staan einde se kant toe! Die laaste twee jaar was verseker uitdagend in verskeie opsigte. Ons kyk terug op soveel gebeurtenisse en sien uit na al die opwinding soos ons die einde van 2021 nader.

Another year is coming to its end! The past two years have certainly brought some challenges. We are looking back on all that happened and looking forward, with great excitement, on everything that still needs to happen in 2021.

## Loerie Jeugsentrum / Loerie Youth Centre

*Boerseun Messe ondersteun graag die Loerie Jeugsentrum deur jaarliks 'n mes aan hul te skenk wat hulle kan gebruik op watter manier ookal. Die Loerie Jeugsentrum is in 2000 gestig. Die kinders en studente in die Loerie Jeugsentrum se ouers kan weens verskeie redes nie meer voldoende na hulle omsien nie. Die Loerie Trust is 'n nie-winsgewende instansie wat ten volle verantwoordelik is vir alle behoeftes van die kinders.*

*Die trust ontvang geen toelae van enige aard nie en is dus afhanklik van donasies.*

*Indien u bereid is om die Loerie Jeugsentrum Trust te ondersteun of by te staan op enige wyse kan u direk met hulle in verbinding tree: [loeriehuis28@gmail.com](mailto:loeriehuis28@gmail.com)*

**LOERIE**  
JEUGSENTRUM TRUST

*Boerseun Knives supports the Loerie Youth Centre by donating a knife every year. They determine how they utilise this donation. The Loerie Youth Centre was founded in 2000. Parents of these kids and students can unfortunately not support and raise their children, due to a variety of reasons. The Trust is a non-profit institution that caters for all the needs of these children. The Trust receives no government funding or support and is therefore dependent on the donations of good-hearted people.*

*.Should you feel the need to assist the Loerie Youth Centre by any means, you can contact them directly.*
